

Worries cards

(print and laminate for better consevation)

I work at
night shift
and need
silence in the
mornings

I am allergic to
cats and they
want to bring
one in

I love having
friends over

I can't stand
seeing
unwashed
dishes in the
sink

I
sometimes
get
migraines,
light and
loud
sounds are
annoying

I need to get a
shower
everyday at 6
before going to
work

Worries cards

(print and laminate for better consevation)

I can't stand
cigarette
smoke

There is
always rotten
food in the
fridge!

Someone
always forgets
the keys of the
apartment

My food
dissapears
from the
cupboards!

The
electricity bill
is too high

There is always
someone's
boyfriend or
girlfriend in the
living room
